PETITION TO COMMISSIONER UNDER 37 C.F.R. 1.182

Now come the patentees through undersigned counsel of record in the above-identified patent and respectfully request correction of the assignment records of the United States Patent and Trademark Office.

The Facts in the Case

In October of 1999, there was filed in the United States Patent and Trademark Office a document identified by the title: "OVERDRACHTSAKTE – Assignment Deed", a copy of which appears attached hereto as Exhibit A.

This document which is in the Dutch and English languages conveys ownership of a PCT application identified by the number PCT/NL 95/00153 from a company in the Netherlands known as Aviplast B.V. to one Dirk Van Dijk, a national of the Netherlands and resident of Great Britain. The document is dated "1997" and was recorded in the PTO on October 28, 1999 at Reel 010361, Frame 0403.

However, the recordation form cover sheet accompanying this assignment deed was incorrectly completed and erroneously indicated the names of the conveying parties as "Dirk Van Dijk and Fransiscus B.A. DeVries". The receiving party was incorrectly identified as "Aviplast BV." A copy of the said cover sheet is attached and marked Exhibit B.

Hence, the recordation form cover sheet was completely incorrect and inconsistent with the assignment document itself. As a result of the flawed recordation form cover sheet the records of the US PTO are incorrect and should not show that the United States patent application which eventually became U.S. Patent 6,929,841 (Application No. 09/171,910) was assigned by the inventors to Aviplast B.V.

The correct chain of title for the above-identified United States Patent no. 6,929,841 is shown by the copies of the Certificate Under 37 C.F.R. 3.73(b) and the assignment dated October 6, 2005 filed herewith, and marked Exhibit C and D, respectively. (The assignment dated October 6, 2005 was filed for recordation in the PTO on October 14, 2005).

It is therefore respectfully requested that the records of the United States Patent and Trademark Office Assignment branch be corrected to show that the document dated 1997 (Exhibit A) did not operate to assign United States patent Application No. 09/171,910 to Aviplast B.V. The Assignment Deed of 1997 merely conveyed title of the PCT application, PCT/NL 95/00153, from Aviplast B.V. to Dirk Van Dijk and the records of the PTO should so indicate.

The appropriate petition fee required under Rule 1.17(f) of \$400.00 is filed herewith.

Favorable action on this petition is respectfully requested.

Respectfully submitted,

SMITH, GAMBRELL & RUSSELL, LLP
